18 October 2011

Dear Parents

Year 9 October Half Term Report

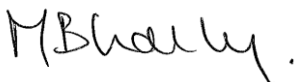

On Tuesday 18 October, your daughter will bring home her first half term report of this academic year. You will find an explanation of what the different grades mean on the back of the report.

Please note that for your daughter's pre GCSE enrichment subjects there is a commitment grade only at this stage; there will be more detailed information in the December half term report. Your daughter does have a full set of grades in her core subjects and early GCSE subjects. You may find that in these subjects your daughter's working at grade seems quite low; if her subject teacher has given her a progress grade of 1 or 2 there is no need to be alarmed. This means she is making good progress towards her target grade and we fully expect her working at grade to improve as she progresses through the GCSE course.

From December, we intend to issue all half term reports electronically via the on-line system and not in hard copy. In line with recommendations for internet security, you will be issued with a new password for the on-line reporting system during the first few weeks after half term.

If you require any further information, please contact your daughter's Form Tutor in the first instance.

Yours sincerely

Mrs Marjorie Lally
Assistant Headteacher
